## Set Name Query

side by side

## Hit Count Set Name

result set

*DB=EPAB,DWPI; PLUR=YES; OP=ADJ*

L18	torsion\$ with (spring or hinge) with (width or corrugat\$)	68	L18
-----	---	----	-----

*DB=JPAB; PLUR=YES; OP=ADJ*

L17	L1 with (width or corrugat\$)	0	L17
-----	-------------------------------	---	-----

L16	L11 and (width or corrugat\$)	111	L16
-----	-------------------------------	-----	-----

L15	L14 and (width or corrugat\$)	13	L15
-----	-------------------------------	----	-----

L14	L11 and (oscillat\$ or vibrat\$)	565	L14
-----	----------------------------------	-----	-----

L13	L11 and (micro electro mechanical or microelectromechanical or microelectro mechanical or micro electromechanical or mem)	2	L13
-----	---	---	-----

L12	L11 and resonator	1	L12
-----	-------------------	---	-----

L11	torsion\$ with (spring or hinge)	4006	L11
-----	----------------------------------	------	-----

*DB=USPT; PLUR=YES; OP=ADJ*

L10	L6 and (resonator with (spring or hinge))	37	L10
-----	---	----	-----

L9	L6 and (resonator with spring or hinge)	5091	L9
----	---	------	----

L8	L6 and resonator	139	L8
----	------------------	-----	----

L7	torsion\$ near2 (spring or hinge)	26211	L7
----	-----------------------------------	-------	----

L6	torsion\$ near3 (spring or hinge)	27251	L6
----	-----------------------------------	-------	----

L5	torsion\$ with (spring or hinge)	30515	L5
----	----------------------------------	-------	----

L4	(((microelectromechanical or micro electromechanical or microelectro mechanical or micro electro mechanical or mem )and resonator )and (spring or hinge or support) ) and torsion\$)	88	L4
----	--	----	----

L3	(((microelectromechanical or micro electromechanical or microelectro mechanical or micro electro mechanical or mem )and resonator ) and (spring or hinge or support))	281	L3
----	---	-----	----

L2	((microelectromechanical or micro electromechanical or microelectro mechanical or micro electro mechanical or mem ) and resonator)	382	L2
----	--	-----	----

L1	(microelectromechanical or micro electromechanical or microelectro mechanical or micro electro mechanical or mem)	14800	L1
----	---	-------	----
